Re: High Point Road Oil Spill
Wartburg, TN Incident
date: 07/20/02

Dear Ms. Caprita:

On July 21, 2002 you gave me a notice of federal assumption of response activity.

This notice recites that our actions to date were "evaluated as improper" by the EPA.

Please provide me with a written report of that evaluation, particularizing the points with respect to which our actions were found to be improper or inadequate.

Thank you.

Sincerely,

Jim Pryor, President
Pryor Oil Co., Inc.
